**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE**

Patent No.: 6,815,659

Issued: November 9, 2004

Patentee: Andrew G. Cartlidge

Title: OPTICAL SYSTEM AND METHOD OF MAKING SAME

**APPENDIX A**

The above-captioned Letters Patent contains a typographical error made by the Patent Office. Specifically, the error is as follows:

Front Page, Line (73) Assignees, Palantyr Research, LLC, Cleveland, OH (US); Angkor Technology, LLP, Cleveland, OH (US). These two assignees are correct but there are three additional assignees which need to be listed on the Letters Patent. The additional assignees are as follows:

<b>Himanshu S. Amin</b>	<b>Twinsburg, Ohio</b>
<b>Daniel B. Bortnick</b>	<b>Mentor, Ohio</b>
<b>Gregory Turocy</b>	<b>Westlake, Ohio</b>

All assignees were listed on a supplemental sheet sent with the Issue Fee payment as well as in the Assignment and Assignment Recordation Request. These Assignees are listed and recorded at Reel 012517, Frame 0685.

This error is typographical in nature and was committed by the Patent Office. Furthermore, correction of this error does not require such changes in the patent as would constitute new matter or would require re-examination. Therefore, a certificate of correction is respectfully requested.

For this reason, it is believed that the revision required by the Certificate of Correction is due to an error made by the Patent Office. As such, the Patentee is entitled to a Certificate of Correction under 37 C.F.R. §1.322, and no fee is believed due.
